The War of 1812 was fought between the United States and Spain.

There were several causes of the War of 1812 such as disagreements over shipping and trade. Native Americans were being supported and armed by the British in an effort to stop the US from expanding west. U.S. soldiers were being forced to join the British Royal Navy. The British also believed the United States wanted to takeover Canada. The United Kingdom was already at war with Napoleon of France.

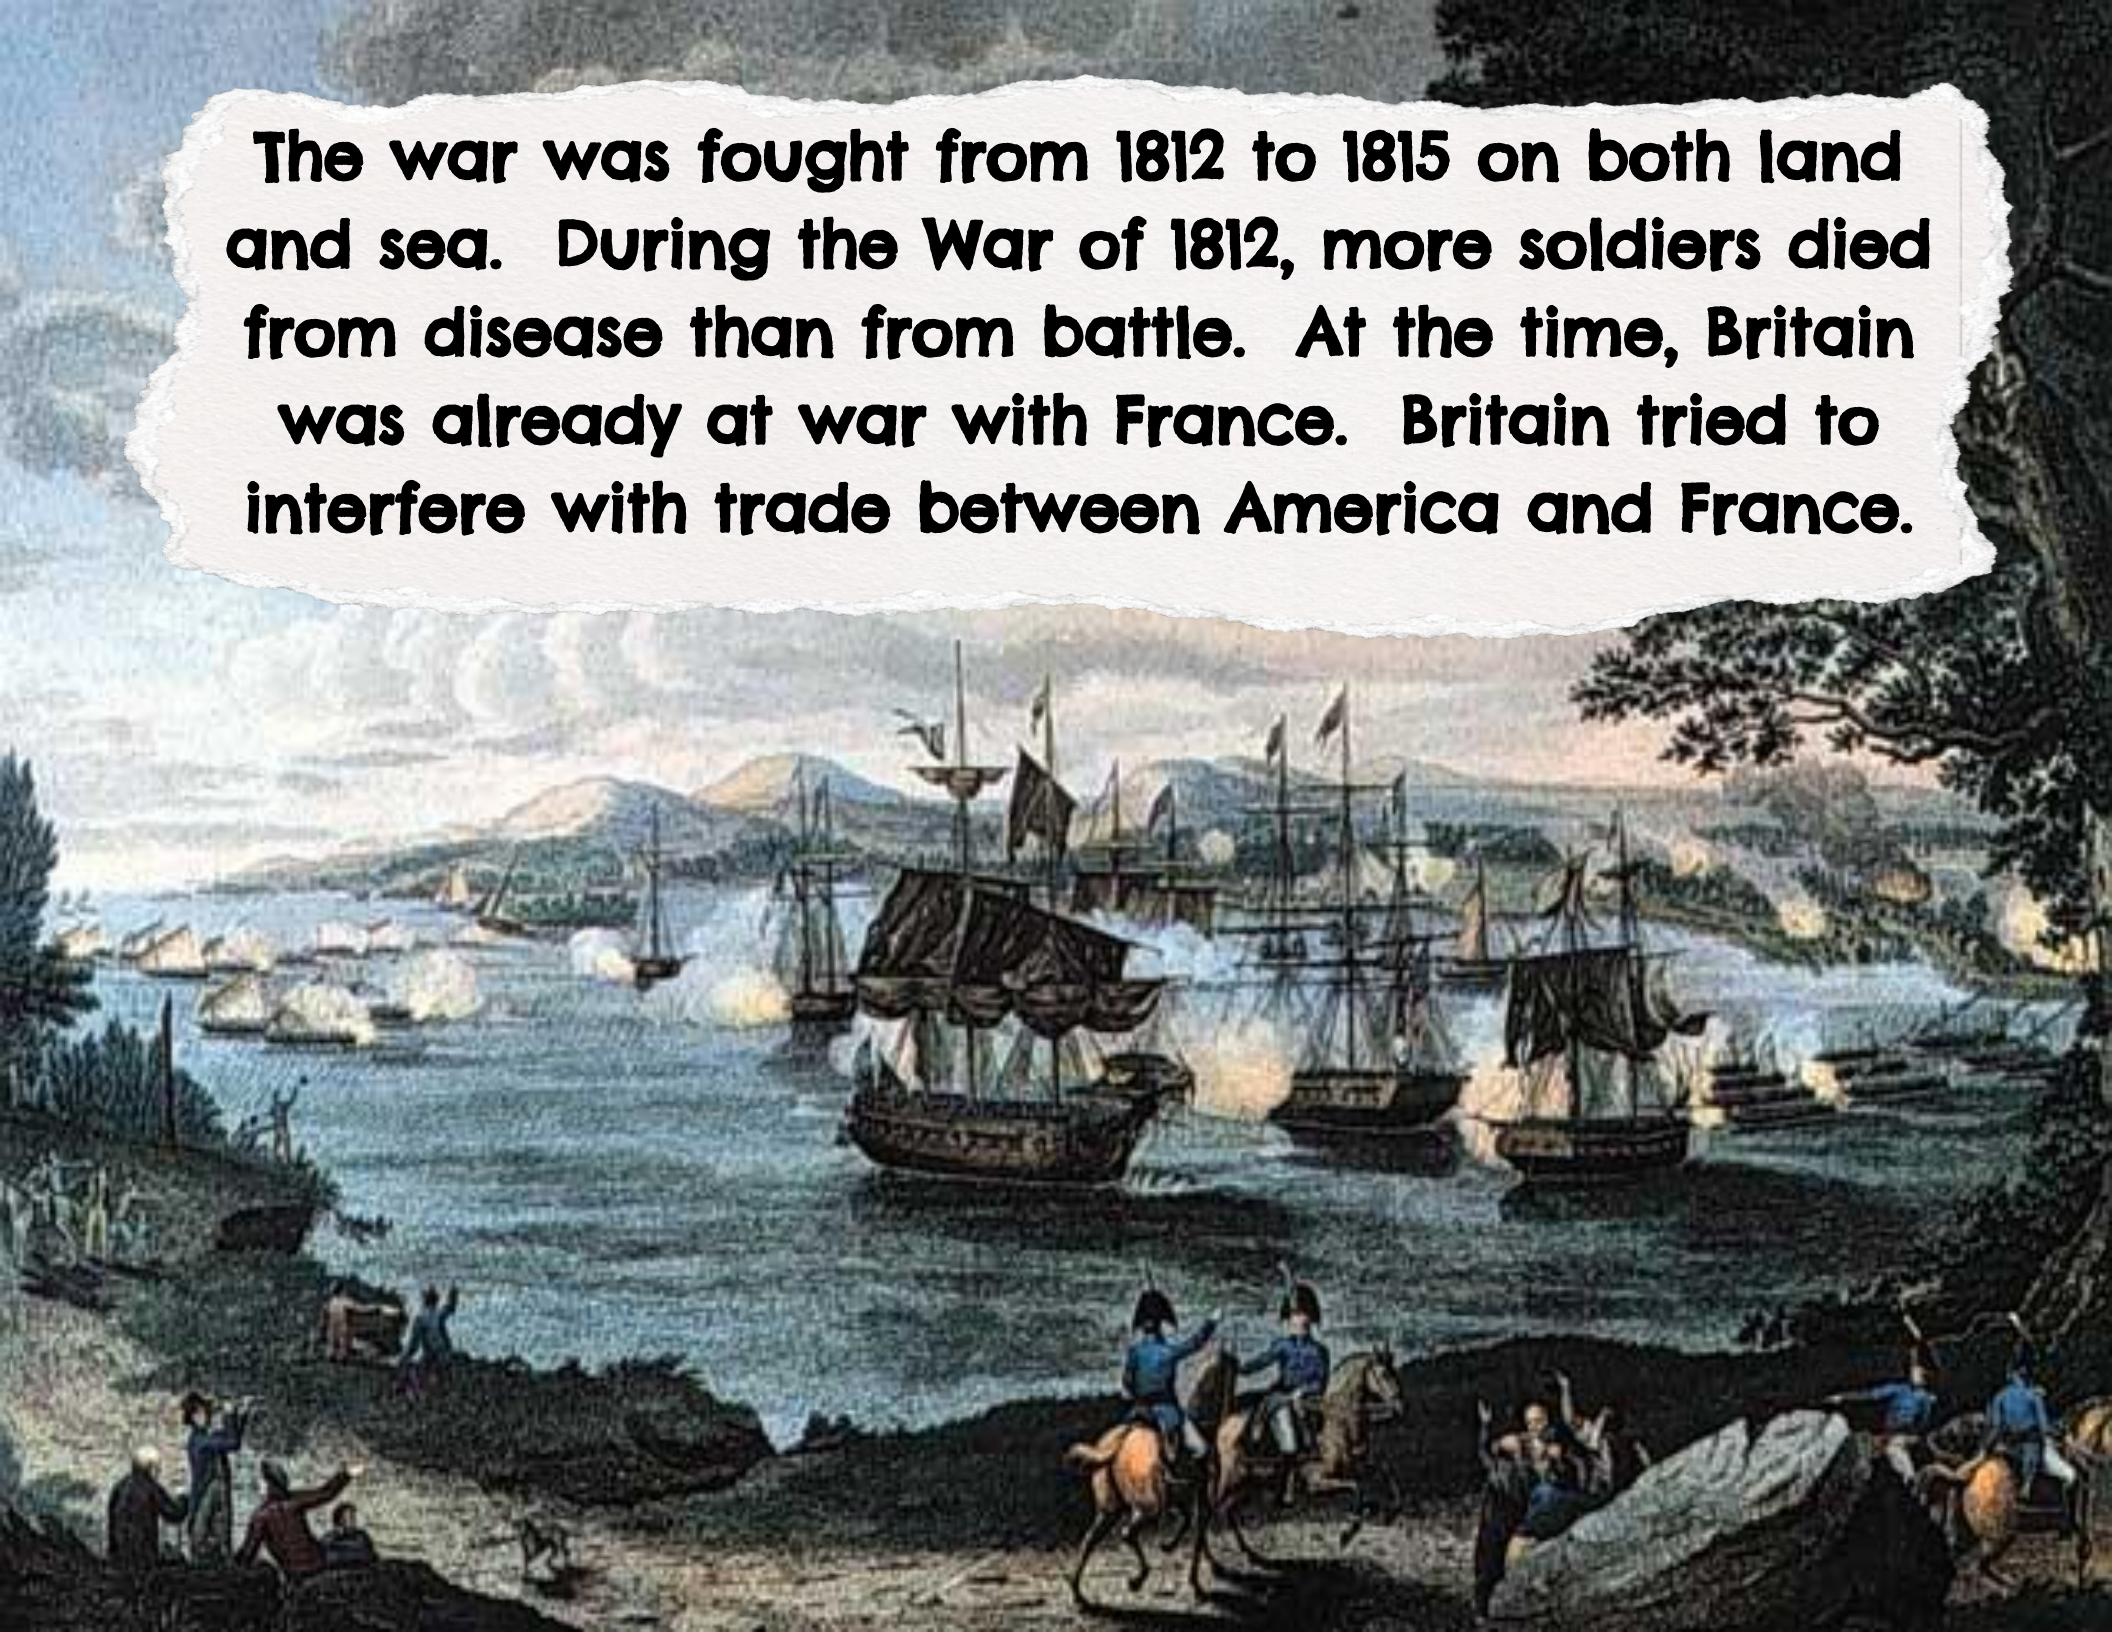

The British also believed the United States wanted to takeover ____.

A. Mexico

B. Canada

C. Texas

The war was fought from 1812 to 1815 on both land and sea. During the War of 1812, more soldiers died from disease than from battle. At the time, Britain was already at war with France. Britain tried to interfere with trade between America and France.

Britain tried to interfere with trade between America and France.
