SPICE

When Susan was teaching, she discovered that male teachers were making \$10 a month while female teachers were only making \$2.50. During this time, very few women could hold property, and if they earned any money at a job, it belonged to their husbands. Colleges were closed to women as well.

Anthony realized that no one would take women seriously unless they had the right to vote.

While men earned \$10 a month teaching, how much were women earning for the same job?
