ARMED FORCES

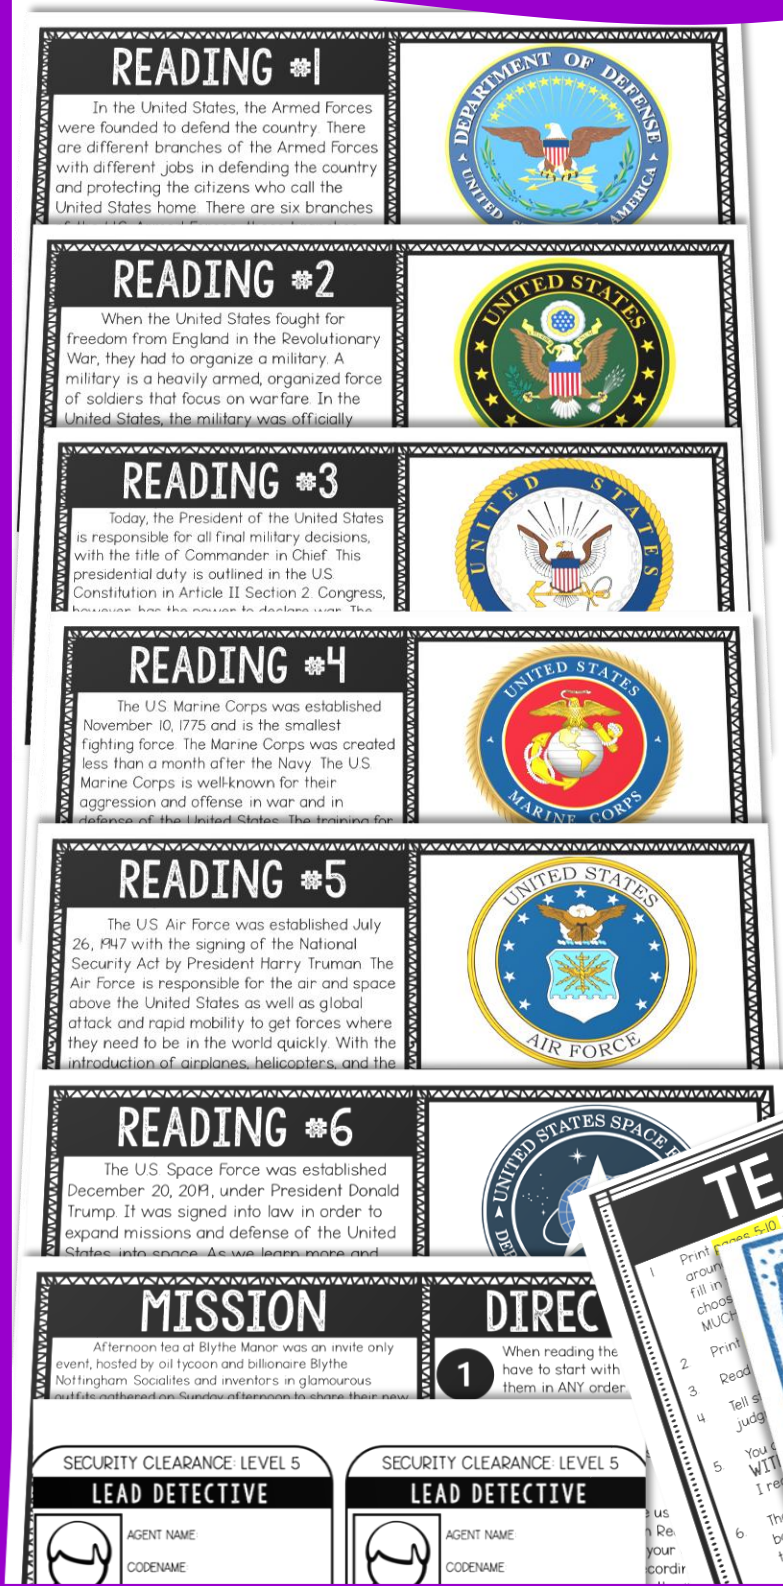

READING ESCAPE

6 PASSAGES

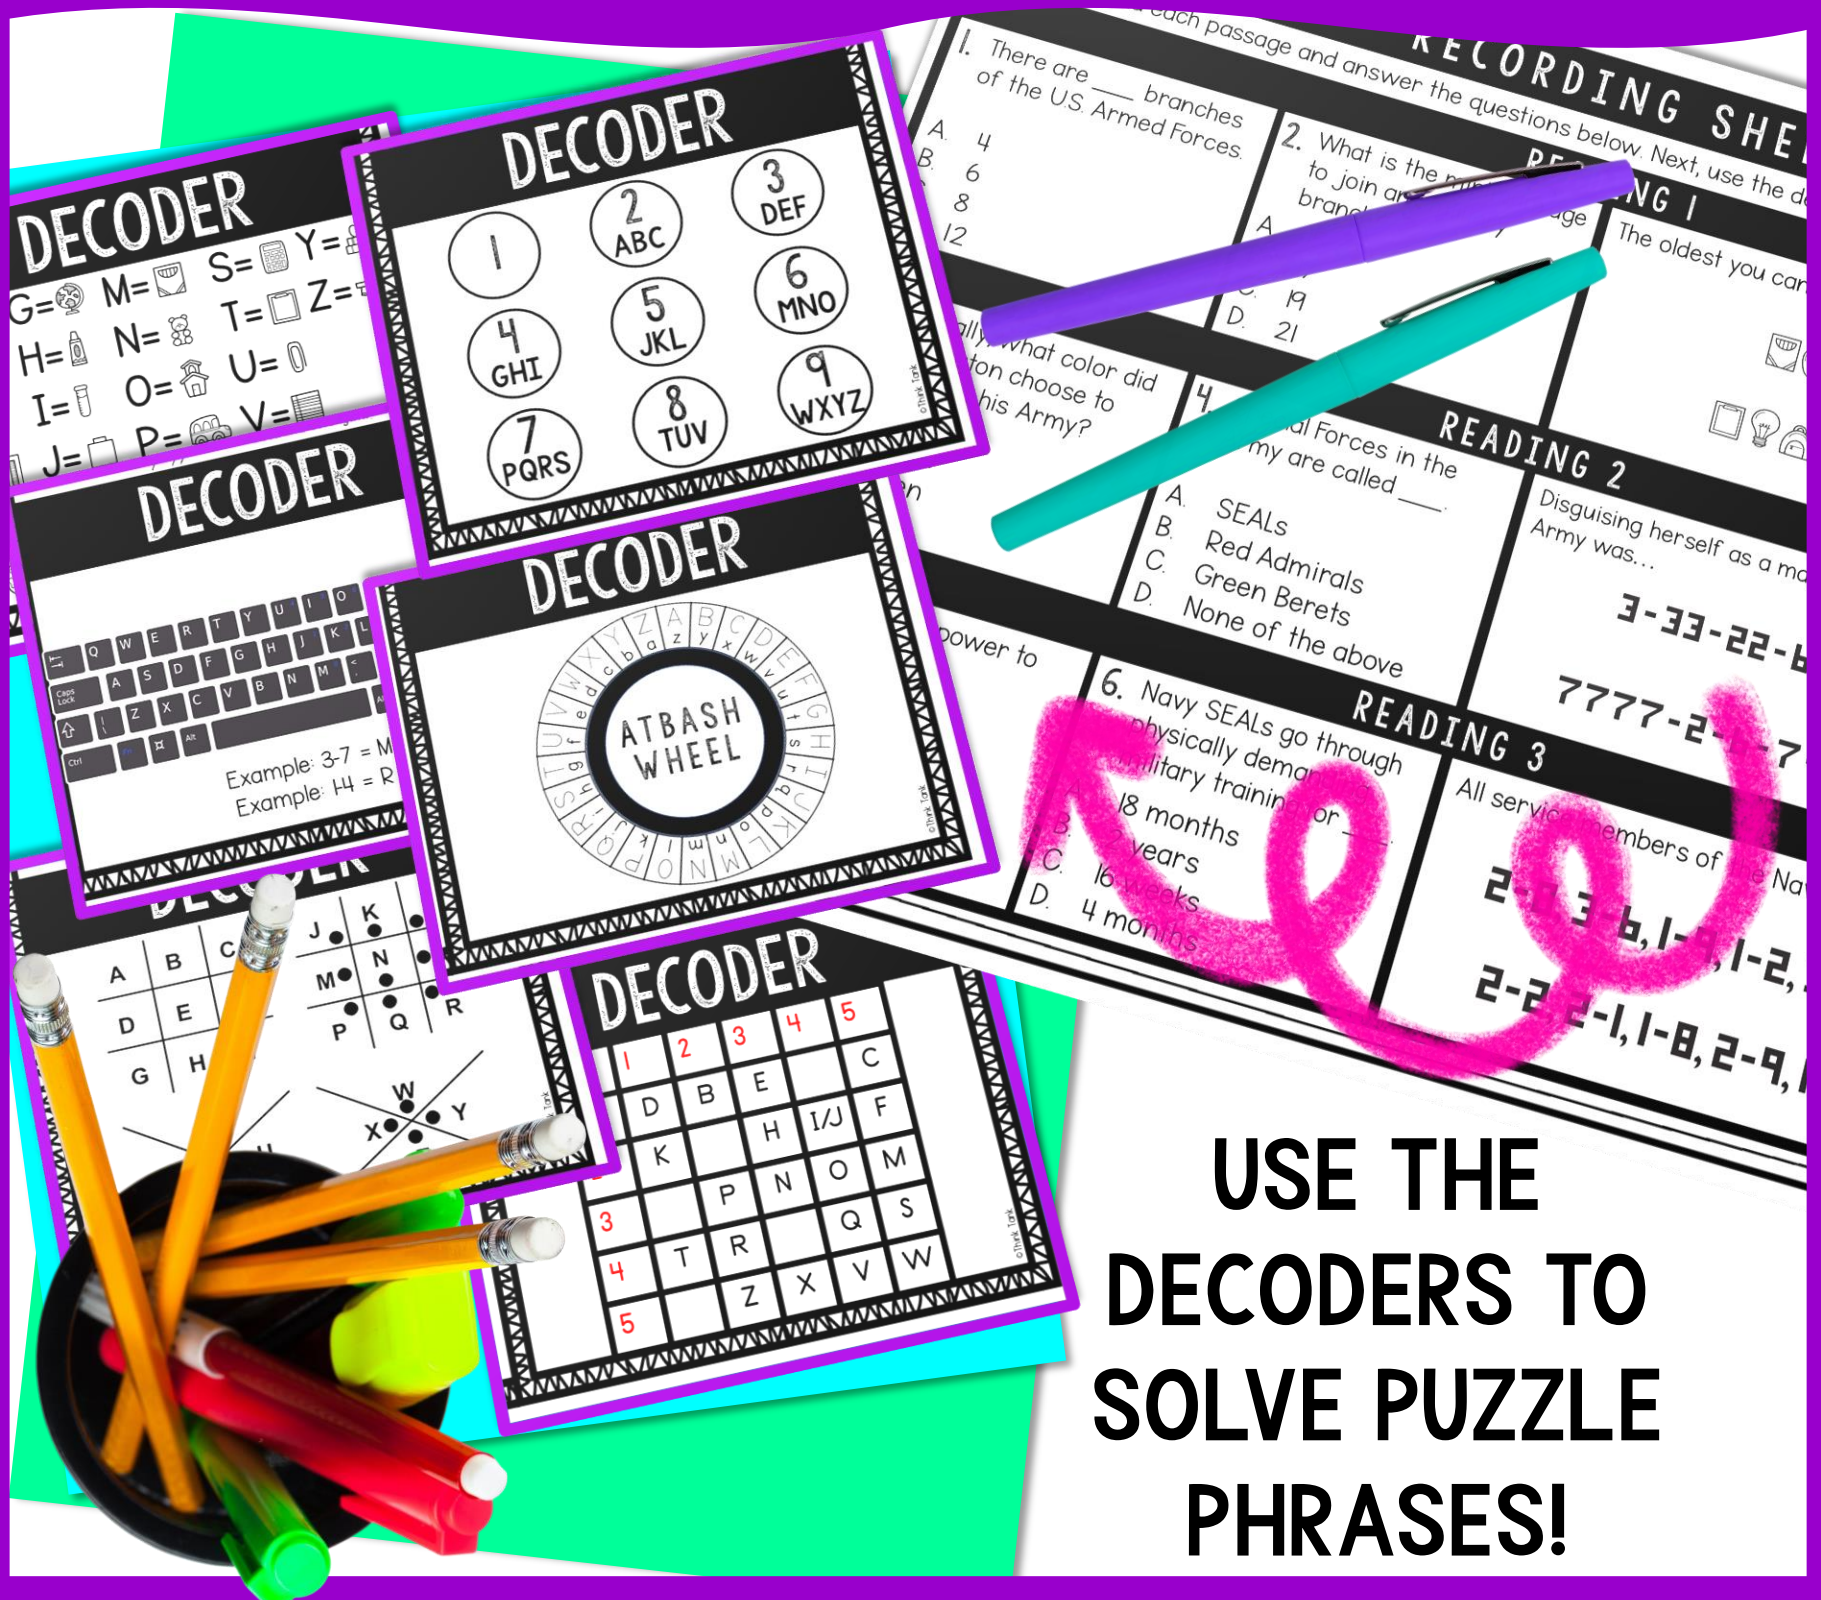

READING #3
Today, the President of the United States is responsible for all final military decisions, with the title of Commander in Chief. This presidential duty is outlined in the U.S. Constitution in Article II Section 2. Congress, however, has the power to declare war. The Secretary of the Department of Defense is in charge of all military branches, except for the Coast Guard.
The U.S. Navy was established October 13, 1775. The Navy's mission is to get soldiers and

The U.S. Space Force was established December 20, 2019, under President Donald Trump. It was signed into law in order to expand missions and defense of the United States into space.
READING #5
The U.S. Air Force was established July 26, 1947 with the signing of the National Security Act by President Harry Truman. The Air Force is responsible for the air and space above the United States as well as global attack and rapid mobility to get forces where they need to be in the world quickly. With the introduction of airplanes, helicopters, and the ability to move within the air, it was
