e Articles of Confederation. They
ded to create a new document that
d better support the nation. This new
cument, replacing the Articles of
nfederation, became known as the
U.S. Constitution.

STUDENTS VISIT 16 FACT CARDS TO FIND ANSWERS TO THE FILL IN THE BLANK QUESTIONS.

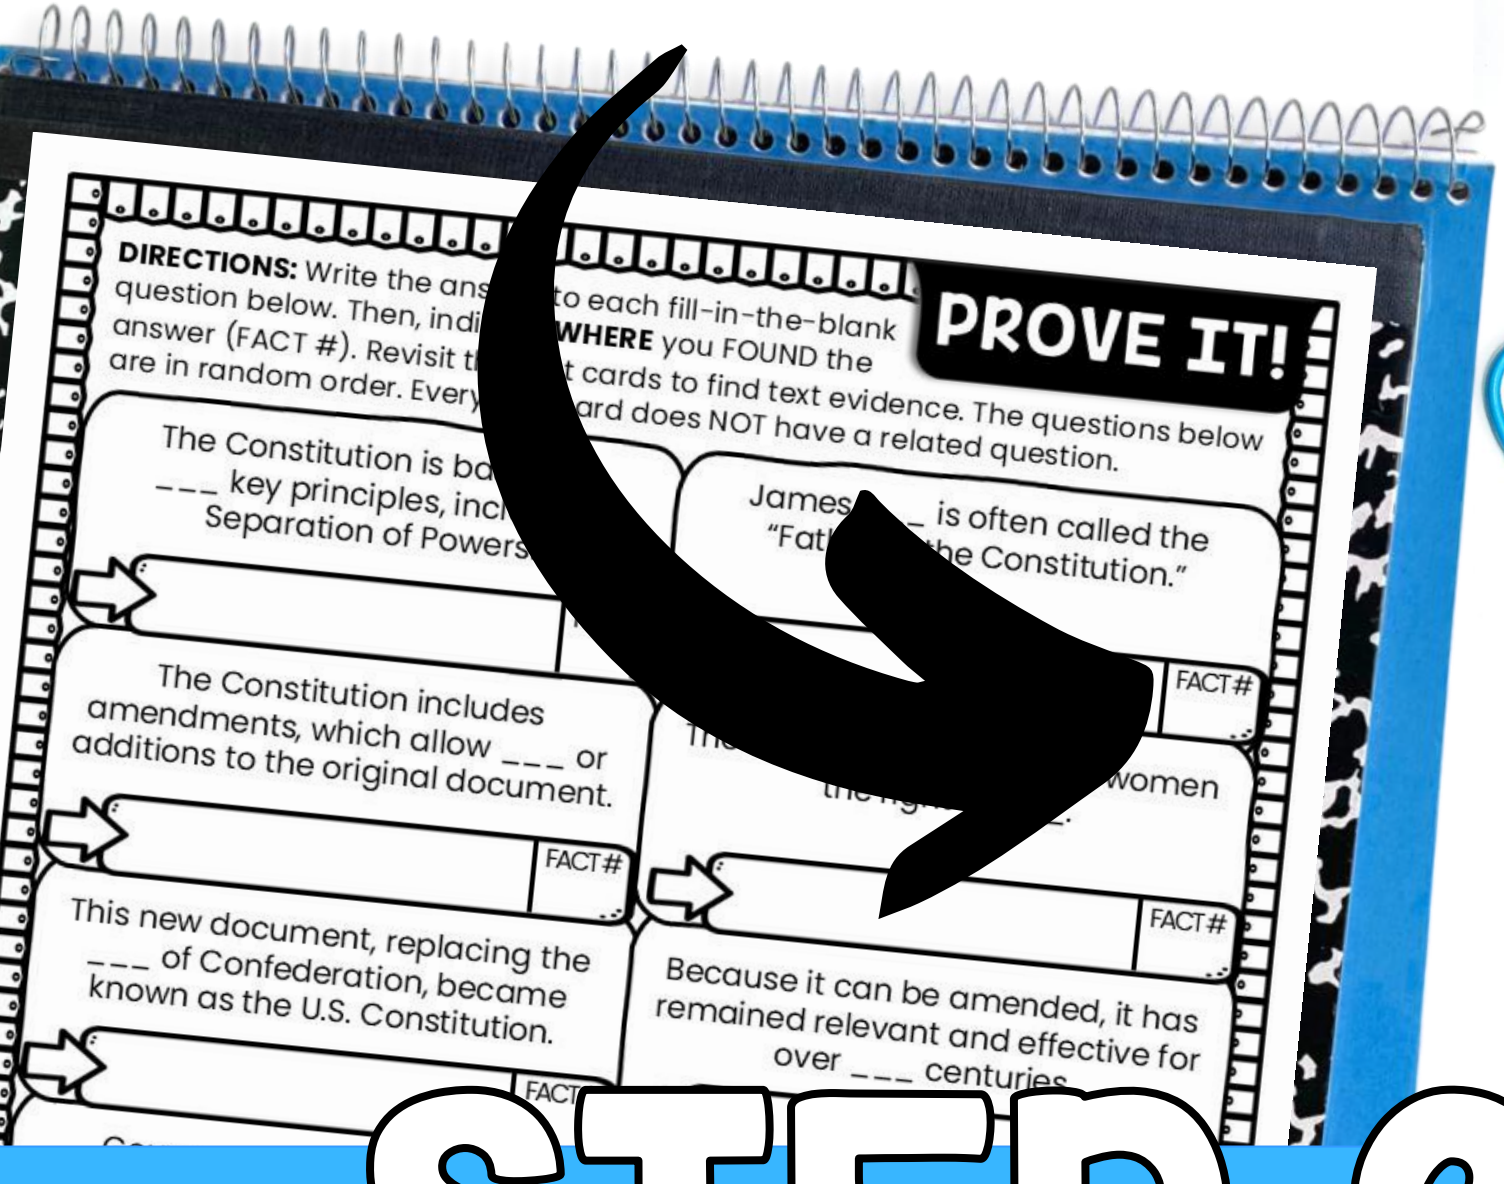

STEP 1

STUDENTS RECORD THEIR ANSWERS + CITE TEXT EVIDENCE INDICATING WHERE THEY FOUND THE ANSWER (FACT #)

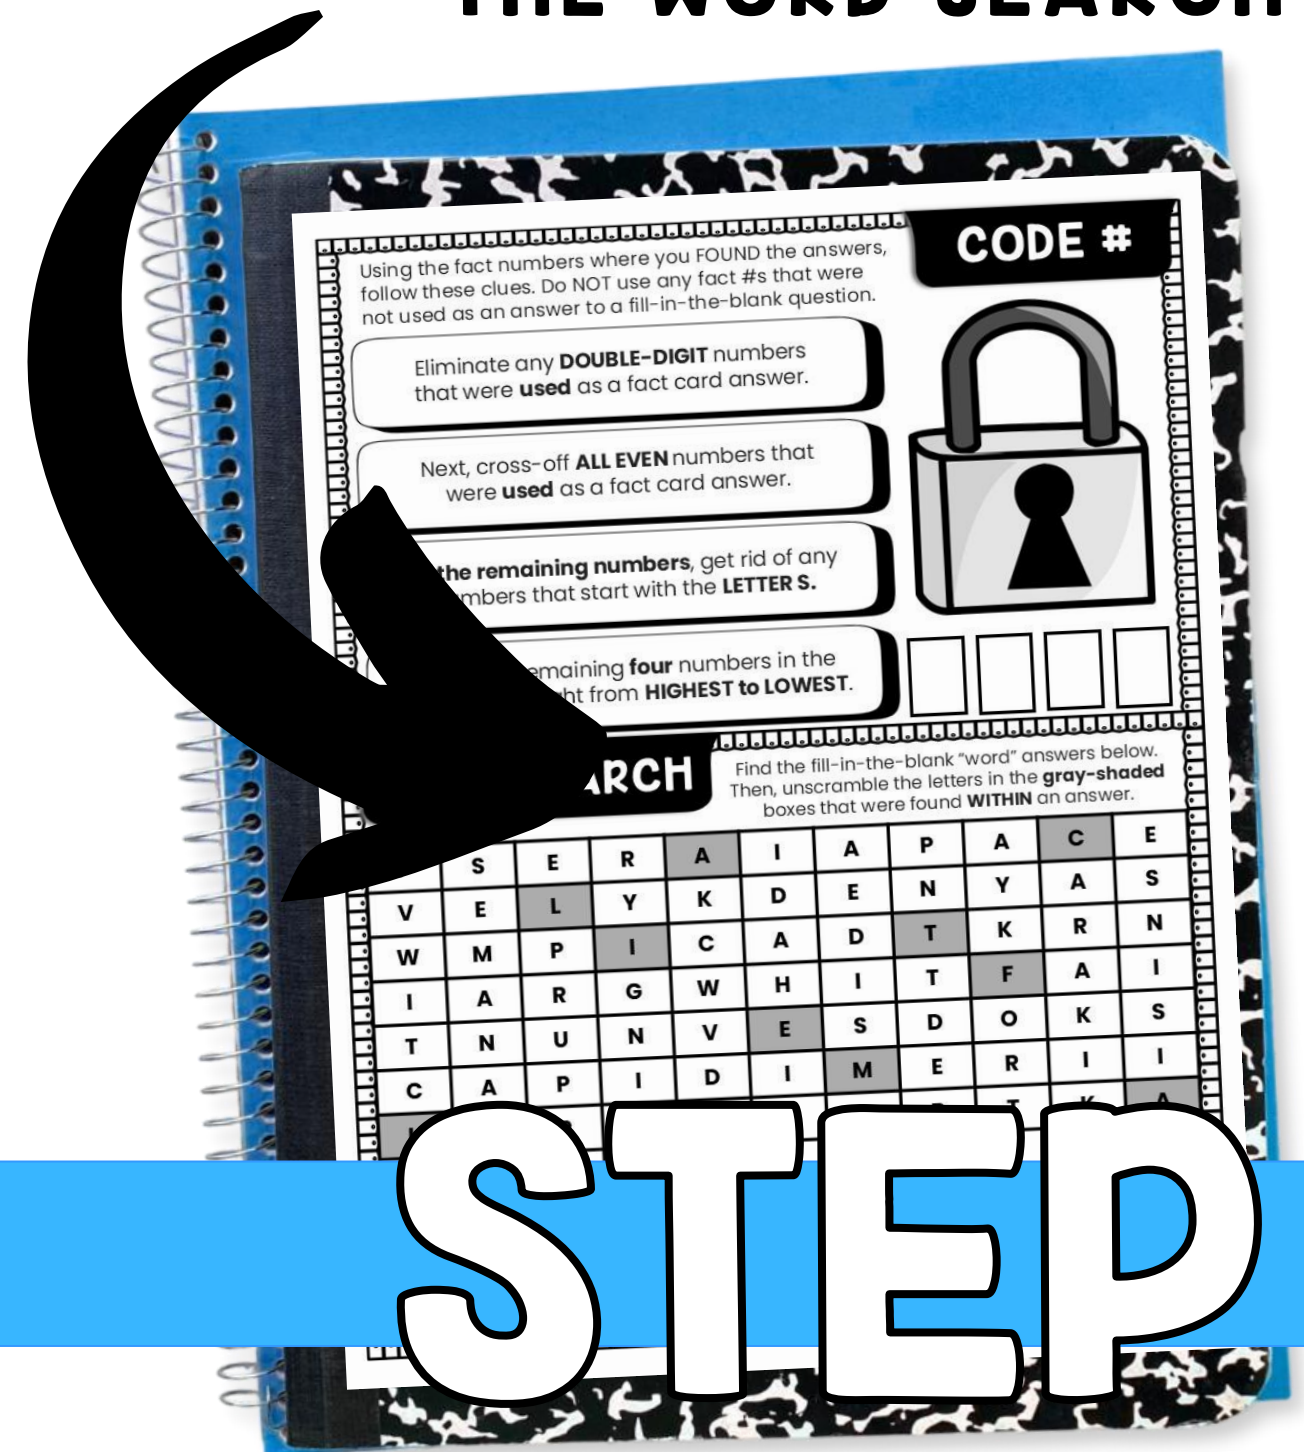

STEP 2

STUDENTS USE THE CITED FACT NUMBERS TO SOLVE A LOCK RIDDLE AND THEN FIND THE 16 SECRET WORDS IN THE WORD SEARCH

STEP 3

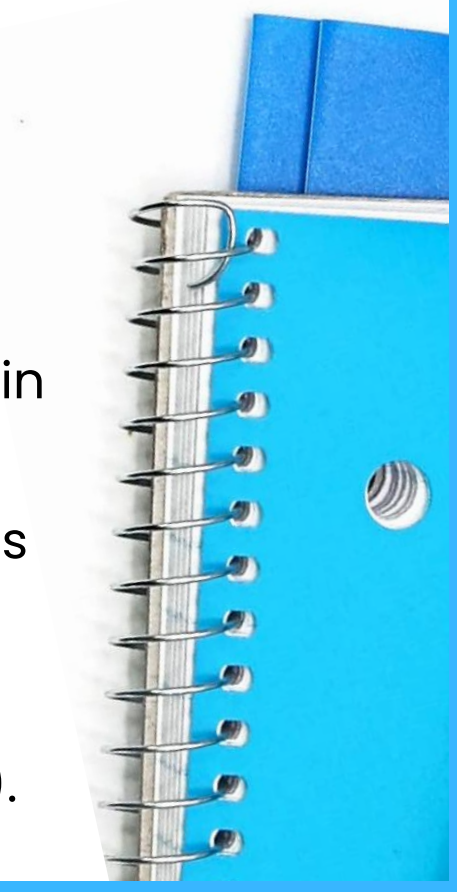

HOW IT WORKS

ENGAGING READING COMPREHENSION PRACTICE!

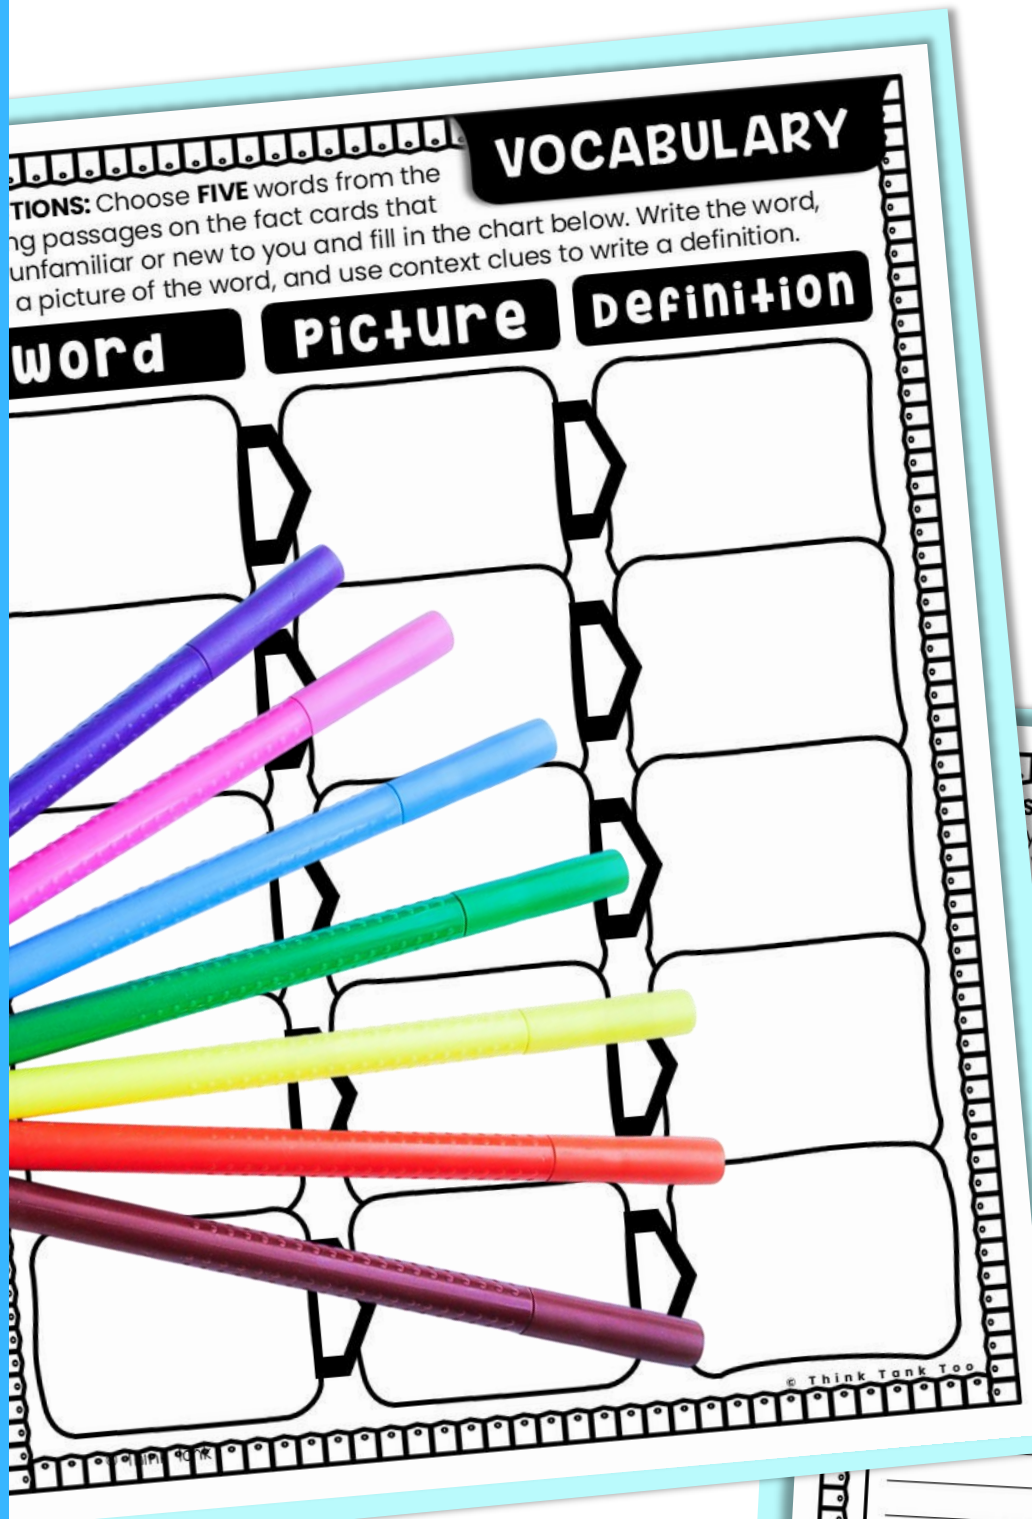

1. **FACT CARDS:** With their question sheet in hand, students will move around the classroom visiting 16 fact cards, citing text evidence, and building their word bank. But here's the catch... students will NOT know where to find the answer so they will have to visit, skim, browse and revisit the fact cards multiple times to find the answers.

2. **WORD SEARCH:** The answers they write down will then serve as the word bank for the word search. The word search will reveal a final mystery word once the indicated letters are unscrambled - but only if students answer correctly! This way, students must complete the activity correctly and can not simply find the words in the word search without putting in the work first.

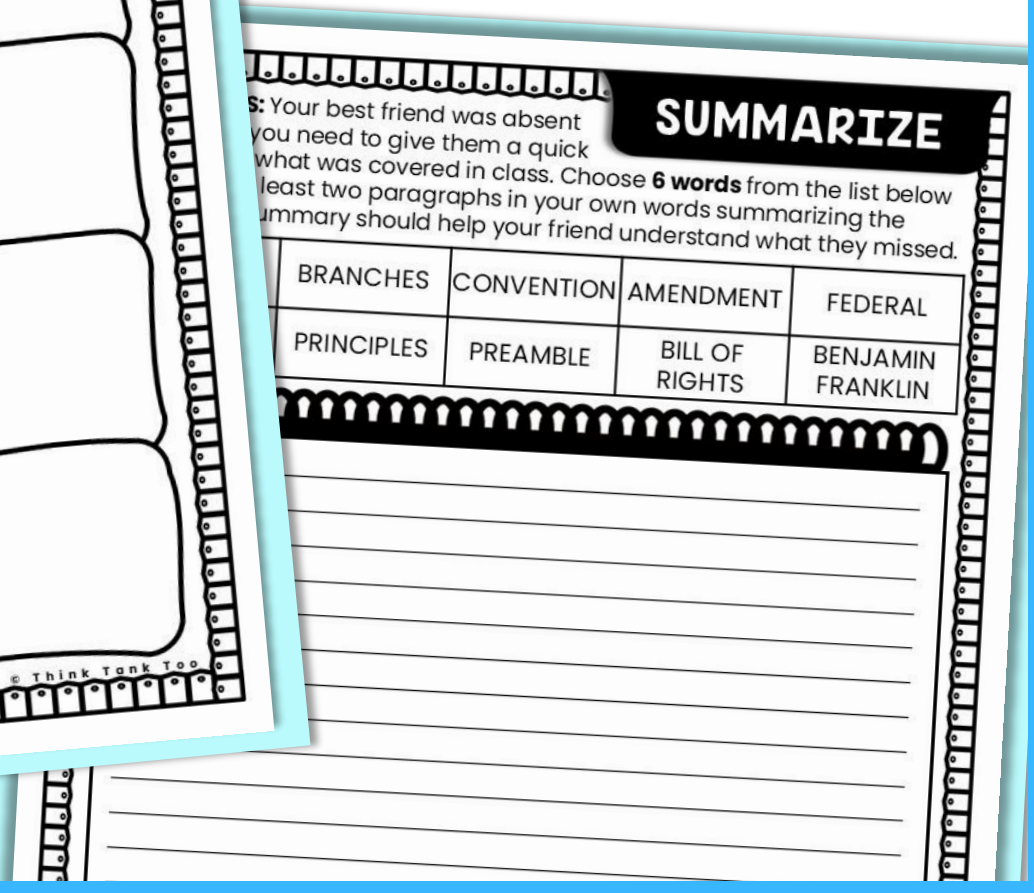

3. **TEXT EVIDENCE:** On the answer sheet, students must indicate **WHERE** they found the answer (fact #). The fact card numbers that were USED to find an answer will then lead to a 4-digit code (but not all fact cards will be used).
