**PERSIAN WARS**

The Persian Wars occurred from 492 BC to 449 BC between the Persians and Greeks. The huge Persian Empire stretched from Turkey all the way to the Ancient Indus River Valley. Led by Cyrus the Great, Persians first conquered the Median Empire in 550 BC. Later, Persian rule extended to Mesopotamia, Egypt, Israel, and Turkey.

Greeks, at the time, sent supplies to some of their city-states. Persia did not like the Greeks stopping at outposts in their territory of Turkey. So, they sent warriors to stop the Greeks. The battles of Marathon and Thermopylae resulted in wins for Greece. Alexander the Great from Greece is credited with defeating the Persian Empire starting in 334 BC.
