

NORTH AMERICA

DIGITAL ESCAPE™

HOW TO PLAY

Look for this icon to decode a puzzle. One puzzle per reading.

Look for this icon to read about the topic to find answers.

Look for this icon to answer three questions per reading.

Students will read 4 short passages, then answer questions related to each passage. After correctly answering the questions, they will be given a “clue.” They will then decode 4 puzzles to help them determine the final lock code.

There are 4 sets of color-coded activities. For example, there is a **BLUE** 4 icon for a reading passage, a **BLUE** question mark for questions related to the **BLUE** reading passage and a **BLUE** controller icon for a puzzle related to the reading.

4 PASSAGES

Language fun: "Piece of cake" is one of the best-known American phrases that is difficult for newcomers to the U.S. to understand.

Size: North America is the third largest of the seven continents. The biggest city on the continent is Mexico City.

Population: The most populous country in North America is the United States. In the 1700's the United States became a "melting pot" of people and cultures from all over the world. There are over 580 million people in North America.

Number of Countries: The three major countries include Canada, Mexico, and the United States. All together there are twenty three countries and territories. North America also includes the Caribbean and Central American countries, Bermuda, and Greenland.

12 QUESTIONS

True or False: Grenada is the smallest country in North America. * 1 point

Your answer _____

The biggest city on the continent is _____ City. * 1 point

Your answer _____
