

PRINCIPLES OF THE CONSTITUTION DIGITAL ESCAPE™

HOW TO PLAY

Look for this icon to decode a puzzle. One puzzle per reading.

Look for this icon to read about the topic to find answers.

Look for this icon to answer three questions per reading.

Students will read 4 short passages, then answer questions related to each passage. After correctly answering the questions, they will be given a “clue.” They will then decode 4 puzzles to help them determine the final lock code.

There are 4 sets of color-coded activities. For example, there is a **BLUE** 4 icon for a reading passage, a **BLUE** question mark for questions related to the **BLUE** reading passage and a **BLUE** controller icon for a puzzle related to the reading.

Did you know: The word 'republicanism' is not the same as the Republican political party.

- The United States Constitution consists of seven principles. These principles provide the foundations for the American government. The seven Principles of the Constitution were used as guidelines for the Founding Fathers. The Constitutional Principles reflect the political philosophy of the Founding Fathers. The purpose of the principles was to help create the framework for an effective government that would guard against tyranny.
