# FREQUENTLY ASKED QUESTIONS

## 1. Who can join the yearly membership?

The yearly membership was created for busy teachers just like you! Anyone looking to take a load off their plate knowing they always have access to highly engaging resources can join Think Tank's membership.

## 2. Will new resources be added the membership site?

Absolutely! I add new resource every single month. Members will have the inside scoop on what's new. Please note that as the membership grows the price will go up for NEW members. All current members will keep their original price as long as the membership does not expire and is uninterrupted. So act now!

## 3. How long does the membership last?

The membership lasts for ONE full year (365 days of unlimited access). Think Tank offers an annual recurring membership. Members may access any resource as long as they are a current member.

#### 4. Will I be able to download any resource I choose?

For sure! The membership gives you access to every single product. Downloads will be available immediately once chosen.

#### 5. Is it an open or closed membership?

Currently, it is an open membership for teachers to join at anytime. However, in the future Think Tank reserves the right to move to a closed membership model at anytime. This will not affect current members.

#### 6. Once I become a member, how do I access the resources?

Upon receipt and processing of your membership, you will receive a login email to access the membership dashboard. The membership is password protected and you will have your own login. The membership site is available 24/7.

#### 7. What is the cancellation policy?

Due to the nature of the subscription and digital downloads, there are NO REFUNDS. All sales are final. Should you decide to cancel, we will be very sad to see you go! You can cancel your membership at any time. As a member you are given a single user LICENSE to use all Think Tank products in your classroom. When you decide to cancel, you LEGALLY lose access to all those resources in the membership as well as lose ALL licensing rights

to items you had previously downloaded. This means you will NO LONGER be permitted to use those resource legally unless you reactivate your membership. You may cancel 30 days before your membership is set to renew as long as you email [ThinkTank5005@gmail.com](mailto:ThinkTank5005@gmail.com) to let them know. (use cancellation as the subject line) I am so confident in the innovating resources I offer, that you'll never even want to consider cancelling!

#### 8. Do you offer refunds?

All of the resources you purchase are delivered electronically. Unlike a t-shirt, you can't (really) return a PDF document once you've downloaded it. For that reason, all sales on Think Tank of digital resources are considered final and nonrefundable.

### 9. Can I share a license or membership?

No, each teacher will need their own membership license.

### 10. How will I be billed?

Your account will be automatically billed on the same date each year. This is a recurring payment. The account will become inactive if a payment is not made or declined after 3 attempts.

### 11. Am I authorized to print the materials?

You are authorized by Think Tank LLC, to print and/or make copies of the materials you choose that are included in the membership for personal use and/or classroom use for as long as you hold a current membership. When your membership expires, your authorization to print and copy expires as well.

Imagine never having to search for another social studies lesson again! No more Sunday night cramming.

Say goodbye to hours of prep and spend more time with your loved ones.
